

## ASSOCIAZIONE ITALIANA DI CHIMICA TESSILE E COLORISTICA

Milan, 21st Jan 2018

Dear Colleagues,

In order to maintain and strengthen the relationships of brotherhood among IFATCC Members, on behalf of AICTC (Italian Association of Textile Chemists and Colourists), we are glad to inform you that our Association entitled 2018 as "Year of Chemistry, Environment and Sustainability"; this event will character all 2018 AICTC activities.

In this context, we announce our upcoming National Congress, entitled "REACH and SUSTAINABILITY, how textile chain and industry will change, limits and opportunities" who will be held on 2nd of March 2018, at Centro Servizi Banca Popolare di Milano, Sala Conferenze – via Massaua, 6, Milano (Italy).

The full-day congress is organized into the following sessions:

- 1 - Application and evolution of the regulatory framework.
- 2 - The rise of private/voluntary standard (and their application).
- 3 – REACH, interpretation of sustainability by chemical companies.
- 4 – Sustainability, case story – textile brands.
- 5 – How sustainability is perceived.
- 6 – Legends about REACH.

We would like to extend this invitation to IFATCC Members, offering the opportunity for joining this event for 1-2 delegates each country. Considering this event will host National and International speakers (such as FEDERCHIMICA and ETAD, Textile Mills, Chemical supplier), we inform you that speeches will be done, for the main part of the event, in Italian. Anyway, some presentation will be done in English.

In the next few days, you will find detailed information and congress program on AICTC website ([www.aictc.org](http://www.aictc.org)).

We really appreciate your participation.

In case of acceptance for this invitation, to allow us a better organization of the event, please send an email to [segreteria@aictc.org](mailto:segreteria@aictc.org) We will appreciate your confirmation by 15th February 2018.

Looking forward to meeting you in Milan
